

.....  
**Dear Families,**

**We are happy to announce that visitation no longer requires an appointment! We thank you so much for your cooperation and understanding this past year. Please continue to be mindful of any COVID-19 symptoms or exposure you may have in the community. Please do not visit if you are experiencing any symptoms or have had a positive exposure in the last 14 days. Testing will continue to be available at the front desk and is encouraged for all visitors, especially to those who are unvaccinated.**
